*The Community Resource Directory is a listing of services in the community helping to foster and build healthy family life-styles. Every attempt has been made to ensure the information in the directory is correct and timely. Because programs and funding sources change frequently, it is impossible to guarantee the accuracy or completeness of every listing. Please help us continue to update the directory by informing us of changes when they occur.*

The content of the Community Resource Directory does not necessarily reflect the views of the Temecula Valley Unified School District. Inclusion does not imply endorsement and failure to list a resource implies no criticism.

\*The Community Resource Directory printing is funded through  
Title IV Safe and Drug Alcohol Tobacco Education Programs  
Updated December 2011
