October 2024

Dear Parents and Students:

While you have only just begun this exciting school year as an eighth grader and entering high school may seem very far away to you right now, that day will be here sooner than you think. During the course of this year, we will have several opportunities for you to learn about our programs and staff at Mahwah High School. We hope to work closely with you so that you will be comfortable and informed as you begin to set goals and design your high school program of studies. To begin with, we will be hosting an Open House Program for eighth grader students accompanied by their parents/guardians on Wednesday, October 23, 2024, the program starts promptly at 7:00 p.m. in the high school auditorium and concludes at about 8:30 p.m.

Here is the schedule for the evening:

7:00-7:20 in the Auditorium

- Welcome by John P. Pascale, Principal
- Academic Profile, Guidance Services & Supports by Dominick Gliatta, Director of Guidance

After the guidance presentation, the format of the evening is a structured round robin. You will spend 15 minutes at each area and then will move to the next area with a student tour guide. Student tour guides will move you through three key areas - academics, athletics, and activities, which will also give you an opportunity to see our facility.

7:30-8:30: Tour and Round robin visit

- Media Center Learning Commons: Supervisors presentation on curriculum & programs
- Main Gymnasium: Athletic Program Showcase with Thunderbird Coaches
- T3 Building: Co-curricular Authentic Real-life Experiences meet and greet

We look forward to welcoming you to our Open House, and to sharing our pride in Mahwah High School's accomplishments. We hope that you will join us on October 23rd, and we look forward to working closely with you over the next four years.

Sincerely,

John P. Pascale  
Principal

Dominick J. Gliatta  
Director of Guidance
