

# Working Together to Support Your Child's Mental Health

**Fairport Harbor and Family Pride are partnering to positively impact your child's mental well-being.**

Is your child feeling overwhelmed or struggling emotionally? School and life can often be stressful for children and teens. Whether your child is experiencing stress, feeling down, adjusting to changes, or facing other challenges, Family Pride is a mental health resource for you.

## Family Pride offers:

- » Individual counseling
- » Family counseling
- » Case management
- » Parent support services
- » Trauma-focused counseling

To make it easier for you, all services are provided at flexible times in the school, home, community, virtually, or one of our office locations!

## Cost

### Low-Cost Services to Support You

- » Accepts all commercial, Medicaid & Medicare Plans
- » Additional Funding options available to make services affordable.
