

## 5<sup>th</sup> Graders of O'Fallon District 90

### Veteran's Day Program

The District 90 5<sup>th</sup> graders will sing for the O'Fallon Community Veteran's Day Ceremony on Monday, November 11. The students will provide pre-service music (singing will start at approximately 10:40 a.m.), and will also close out the program with an additional song. Your children are having a great time learning some famous historical and patriotic songs from our country's history, and they sound great! This performance is optional, but we are hoping that your family will choose to attend and your child will participate. Most importantly, this is an outstanding learning and performing opportunity which also gives back to our community and honors our military.

The ceremony is held at the O'Fallon First Baptist Church which is located at 1111 East Highway 50. Each family is responsible for their own transportation to and from this event. A map to the site is below.

Here are the details for the Monday performance:

1. Please arrive at 10:20 a.m. to line up and do a sound check. We will finish by noon.  
-Please use the main entrance or seven hills entrance for the event.
2. Please dress in red, white, and blue clothing. Students should plan on leaving their coats with their parents.
3. Fill out the Google form by Friday, October 18<sup>th</sup>, so we will know how many students are attending or not attending.  
-An email was sent via skyward. Please contact your music teacher for the link if you did not get it.

"Chord"ially – the music teachers,

Dr. Toby Curtright (MS)
