To access your ID number and virtual ID card, you must register for your *myBlue* account. You will receive an email with your temporary username and password. If you do not receive this email or have issues logging in, please contact your Human Resources representative or call our Customer Support at 601-932-3704.

First time logging into the *myBlue* app

- Use the temporary username and password provided to log in to your *myBlue* account.
- Go to the *Your Info* section to change your password.

Helpful Tips

- Your Virtual ID card will be available from the login screen after you log in the first time.

To make logging in easier use the:

- Remember Me function
- Touch ID
- Face ID
- Fingerprint recognition

Never search for your Member ID card again. Ever have those “I left my card at home” moments? We make it easier for you by providing a Virtual ID card that can be saved to your phone straight from the *myBlue* mobile app.

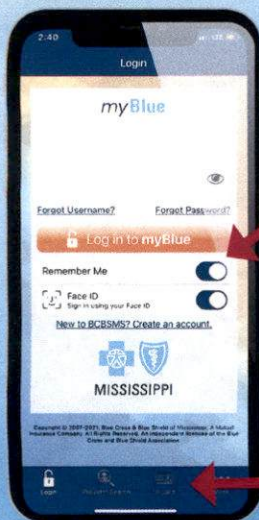

To add your Virtual ID card to Apple Wallet:

1. Open the *myBlue* App on your device and log in (credentials are the same as your *myBlue* account)
2. Select “View ID Card”
3. Tap “Add to Apple Wallet”

You can share your Virtual ID with covered family members by:

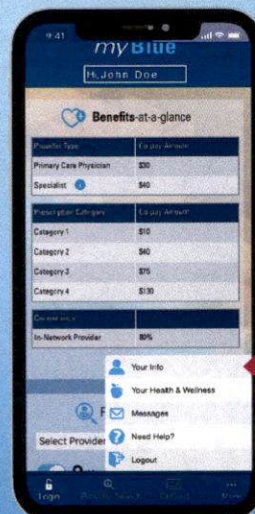

1. Opening your Virtual ID card in your Apple Wallet
2. Clicking on the circle with three dots in the upper right-hand corner
3. Choosing “share,” and selecting the recipient and the way they’ll receive it (text, email, airdrop, etc.)

To help protect your privacy and health information, make sure to only share your Virtual ID with covered family members or your healthcare providers.

Turn on *Remember Me* to log in easier and faster!

Access to your ID card is available without having to log in!
