

Dear AGCS Community,

We are celebrating our graduating class of 2025. To make this occasion memorable for our students, we are reaching out to the AGCS community for your support.

Last year at AGCS, we began a new tradition common among some of the local districts: celebrating our seniors with the “Project Graduation” party. Creating and gifting prize baskets for our graduating students is part of the celebration. These baskets are filled with various items that serve as tokens of appreciation for their hard work and dedication, and provide them with useful tools as they embark on their next journey.

To make these prize baskets as special as possible, we are seeking contributions from individuals and businesses within our school community. Whether donating items to include in the baskets or creating a complete fifty-dollar basket, every bit of support will make a difference.

If someone you know would like to contribute to the prize baskets for the graduating class of 2025, please send your items or baskets by **Friday, May 16th**, to the front desk of either campus or in with your child. Make sure your baskets or items are labeled for project graduation. Our students will greatly appreciate your generosity and help make their graduation season even more memorable.

Thank you in advance for your support. Together, we can ensure that our graduating students feel celebrated and valued as they transition to the next chapter of their lives.

With Appreciation,

Project Graduation Committee
