	Clothes Drive	10/13/2024	conflict with softball owned fundraiser

****RENEWALS - Must still be submitted each year, so that we know dates & times of events. If a group has had rights to an event they have been doing each year, but decides to not do so the following year, they waive first rights and the new team that does this fundraiser would then have the first rights. Once a team skips a year they automatically lose "First Rights".**
