

Give Your Child a Strong Start in School

Research shows Waterford Upstart works, and kids love it!

Waterford Upstart is an on-demand early learning program that gives you tools, coaching, and resources so you can prepare your child for a bright future.

What Do You Get?

- On-demand software with **fun and engaging lessons** in reading, math, and science that are done in **just minutes a day**
- Access to digital books and **easy-to-use resources** that support the work you're already doing with your child
- **Personalized family coaching, a computer, and internet access** for those who qualify

Why Should You Sign Up?

- To **prepare your child for kindergarten**
- Your child can **learn anytime, anywhere**
- To **join your child** in their learning journey
