

BRISTOL-PLYMOUTH REGIONAL TECHNICAL SCHOOL
PRACTICAL NURSE PROGRAM
TEAS® Pre-Entrance Assessment Exam @ Bristol-Plymouth
2024- 2025

Pre-entrance Test Requirement: The TEAS (Test of Essential Academic Skills) Version VII is required for all applicants. Minimum scores are required in Reading, Math and English & Language Usage sections to become a **candidate** for admission. Bristol-Plymouth considers the following adjusted individual scores as passing: **65% in Reading; 60% in Math; 55% in English & Language Usage**. Bristol-Plymouth **does not** administer the *Science* section of the TEAS assessment exam and we do not consider the overall score. Test takers are limited to two test attempts per enrollment period. Scores are valid for two enrollment periods only.

Test Preparation: A study manual and other online preparation material are available for purchase from the ATI website: <https://www.atitesting.com/teas>.

Creating an ATI Account: You must create an ATI account prior to testing for the first time. To do this, go to <https://help.atitesting.com/create-or-manage-your-ati-account>. After you have created your account, locate your **paper/pencil ID number**. **Print/Write down this ID number to bring with you on test day**. Your paper/pencil ID is required to test and is also used to access your scores on the ATI website after you have completed your test.

Accommodations: Applicants requesting accommodations must notify the Coordinator of the Practical Nurse program before registering for a test date. Applicants must provide documentation from an appropriate professional (e.g., physician, psychologist, or other qualified diagnostician) to demonstrate their current disability and the need for accommodations. This documentation should: (1) establish that the applicant has an impairment that substantially limits a major life activity, including supporting information (e.g., when and how the condition was identified, its likely duration); (2) describe in detail the applicant's functional limitations created by the impairment; and (3) indicate accommodations that are recommended for the applicant, along with explanation as to why they would be useful. Decisions about accommodations are made by the Coordinator of the Practical Nurse Program, in consultation with the Section 504 Coordinator and Pupil Services Administrator as needed. Please call the office to schedule at 508-823-5151, Ext. 240.

How to test at Bristol-Plymouth:

- View the test schedule on our website
- Pre-Register by calling 508-823-5151, Ext. 240
- \$90.00 fee required at pre-registration (non-refundable)
