COUNSELOR'S CORNER

Parents and Students:

September is Suicide Awareness Month, a critical time to shine a light on mental health issues and support those in need. Tragically, suicide is a leading cause of death among teens, with nearly 1 in 5 high school students reporting serious thoughts of suicide, and approximately 15% having made a plan. In the U.S., the National Suicide Prevention Lifeline at 988 provides 24/7 support for individuals in crisis, offering help to those who are struggling or in need of immediate assistance. By raising awareness and fostering open conversations, we can help reduce the stigma and provide vital support to those at risk.
