

ECI EARLY CHILDHOOD INTERVENTION

REGION 3 EDUCATION SERVICE CENTER

Changing Lives. Every day.
Serving Babies and Families since 1981

The Region 3 ECI program has been serving babies and families around the Golden Crescent since 1981! With more than 1200 children enrolled in our program, we are the leading provider of developmental and therapy services for children from birth to age three with developmental delays and disabilities. Traditional ECI services include:

- **Case Management**
- **Occupational Therapy**
- **Specialized Skills Training**
- **Speech Therapy**
- **Physical Therapy**
- **Nutrition Services**

Services Provided in Child's Natural Environment
