\*We continue to work closely with the district on fixing issues with Remind.

- We have a group of second grade students who during recess always look for an opportunity to help improve our school, including cleaning up trash.
- We had a community member stop in and pay off a couple over-due lunch accounts at Riverview.
- Our students are learning some different games in Gym to play at recess, and building positive interactions with one another.

**Other Information/pictures:**

- Be sure to check out our Riverview Website as another mode of receiving information!
- <https://res.gfps.k12.mt.us/>
- Our lost and found is filling up quick! We encourage you to have your student check for their items. We do allow items to accumulate for about a month before we take items to other schools in need or goodwill.

- At times there are students in the community in need of items. Sometimes they are students at Riverview. Please take time to check out the link and see if there are any you might be able to help fulfil.

- Don't forget to sign up for free/reduced lunch before Oct. 9<sup>th</sup>. After that, students will be charged full price. This needs to be done yearly.
