

Rating Presentation
Fiscal Year 2022-2023 Data

PURPOSE

- Expands the public education accountability system in Texas to Financial Services
- Originated by SB875 of the 76th Texas Legislature in 1999. Passed during the 77th regular session in 2001
- Primary goal is to improve management of school district's financial resources

OBJECTIVES

- Assess the quality of financial management in Texas public schools
- Measure and report the extent to which financial resources are allocated for district instructional purposes
- Fairly evaluate the quality of financial management decisions
- Only report results to the general public

RATINGS

- HB 5 of the 83rd legislature in 2013 required the Commissioner of Education to include indicators in FIRST to anticipate the future financial solvency of districts
