

Rochester Area SD

Comprehensive Plan | 2024 - 2027

Mission and Vision

Mission

The Rochester Area School District, a K-12 learning community, is committed to developing 21st century skilled citizens, lifelong learners, and critical thinkers through a rigorous curriculum.

Vision

We envision our students making positive contributions to their community by demonstrating the core values of respect, responsibility, and citizenship.

Educational Values

Students

The students in the Rochester Area School District will actively participate in their learning and will strive to be responsible citizens.

Staff

The staff of the Rochester Area School District will work collaboratively to provide a well-rounded education that aligns with the Pennsylvania Department of Education Core Standards. The staff will participate in professional development and share their expertise with their colleagues.

Administration

The Administration of the Rochester Area School District will collaborate with the staff, school board and community to provide a safe environment for our students and staff to work and learn and provide the resources necessary for our staff to educate and for our children to learn.

Parents

The parents of the Rochester Area School District actively participate in their child's academic life and work in partnership with the school staff to ensure our children are learning and growing.

Community

The community of the Rochester Area School District will support the school district by providing support to ensure the academic, emotional, and extracurricular success of our children.
