

SCHOOL COMPACT

What is a School Compact? A School-Parent Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach grade-level standards. Effective Compacts:

- ♦ Link to goals of the campus improvement plan
- ♦ Focus on student learning skills
- ♦ Describe how teachers will help students develop these skills using high-quality instruction
- ♦ Share strategies parents can use at home
- ♦ Explain how teachers and parents will communicate about student progress
- ♦ Describe opportunities for parents to volunteer, observe, and participate in the classroom.

Jointly developed:

The parents, students, and staff of Newport Elementary school developed this School Parent Compact for Achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings will be held each year to review the compact and make changes based on student needs.

WHO WE ARE!

Our Mission: The mission of Newport Elementary is to provide the opportunity to maximize student potential by developing a strong work ethic, leadership qualities, accountability, achievement, and problem solving skills.

Our Goals: Instruction in the classroom is what drives our program. We attempt to have all students performing at or above the state standard in all instructional areas. Our long-term goal is for all students to graduate and become productive citizens. Our students will attain technology skills to prepare them for our modern world.

Our School Program: Parents, teachers, and administrators have worked together to initiate our title 1 program. This program is an important part of our curriculum and meets the needs of the entire student body. Newport Elementary is a school wide Title 1 program, funding provides opportunities to upgrade the entire educational program.
