

Athletic/Academic Award Eligibility for College Credit Plus Students

This form is for the use of determining Honor Roll and Scholar Athletes for Ashland High School CCP students. This form can be replaced with a college grade report or printout from your college's student information system showing your in-progress or final grades, your name, and the date.

Academic Award/Honor Roll Eligibility: In order to qualify for Ashland High School Honor Roll, ALL grades must be reported to AHS (including any off-campus CCP class in addition to any classes taken at the high school).

Any student with *any* missing grades will not be eligible for Honor Roll or may be questioned about athletic eligibility.

Since colleges do not provide quarterly grades, it is the student's responsibility to take this form to their CCP professors the 1st 9 weeks (Fall) and 3rd 9 weeks (Spring) and return it to the Guidance Office by the deadline for each quarter. Students only need to use this form for 1st 9 weeks and 3rd 9 weeks. The 2nd 9 weeks and 4th 9 weeks grades for Honor Roll purposes will be obtained by the final CCP course grades that colleges provide.

For 2024-25 1st quarter Honor Roll/Fall Scholar Athletes, the CCP grades must be collected between October 16 - October 24 and the completed form must be turned into Guidance no later than Friday, October 25. Remember, ALL of the classes on your schedule must have grades (you cannot choose to omit grades for certain classes).

Student Name _____ Grade _____ Quarter: 1st / 3rd (circle one)

Dear College Instructor,

Ashland High School recognizes that colleges do not typically issue in-progress grades, but we are requesting one be given for either athletic eligibility, per the Ohio Athletic Association's guidelines, or for AHS's academic award eligibility/Honor Roll, per Ashland High School guidelines. Please provide the current in-progress grade for the above student. Thank you for your understanding.
