Weekly update during the COVID-19 closure 3/27/20

Schools Begin Transition from Continuity of Learning Plan to New Instruction for All Classes

Now that it is clear the Cherry Hill Public Schools will be closed until at least April 20, 2020 – and this timetable remains at the will of Gov. Phil Murphy – our students' online learning will transition to new instruction for all classes. Please refer to the email from your building principal for specific details and schedules.

Please understand that the focus for the instruction is on your child's *learning*, not on grades.

We are thankful for the perseverance of our students, teachers and families! Your positive outlook and approach are vital to everyone's success during this challenging time.
