Board Goals

- **Continue to improve student achievement at all grade levels for all students and close achievement gaps where they exist.**
- **Create a cost-effective budget that provides for educational resources as well as preventive maintenance and ongoing facilities improvement in all schools.**
- **Enhance communication with and outreach to internal and external stakeholders.**
- **Enhance relationships with internal stakeholders (students and staff.)**

The Superintendent recommends the following:

1. Approval of Board Goals 2015-2016
2. Resolution for NJQSAC Statement of Assurance
3. Resolution for Uniform Memorandum of Agreement
4. Approval of Harassment/Intimidation/Bullying Investigation Decisions

**Cherry Hill Public Schools Mission Statement and Board Goals
2015-2016**

The mission of the Cherry Hill Public Schools is to provide a quality education program that ensures that all students are proficient in the Common Core State Standards and New Jersey Core Curriculum Content Standards. This program will be delivered in a positive environment preparing our students to be knowledgeable, responsible, caring, and confident citizens in an ever-changing world.

1. Continue to improve student achievement at all grade levels for all students and close achievement gaps where they exist.

Within the 2015-2016 academic year the following measurable actions will be achieved:

- Analyze the benchmarked data, provided by the New Jersey Department of Education, from the spring 2015 administration of the PARCC assessment to identify achievement gaps at the district level, at the school level and at the class level. Achievements gap between the federal subgroups (All Students, African American students, Hispanic students, Asian students, White students, Multi-race students, LEP {Limited English Proficient} students, Economically Disadvantaged students, IEP {Individualized Education Plan} students) will be identified. Develop corrective action plans at the district level and the building level to address identified gaps.
- Develop a longitudinal system to comprehensively track student performance on: PSAT (10th grade & 11th grade), SAT (9th grade, 10th grade, 11th grade & 12th grade), ACT (9th grade, 10th grade, 11th grade & 12th grade), PARCC (9th grade English, 10th grade English, 11th grade English, Algebra I, Geometry, Algebra II), the ASVAB (Armed Services Vocational Aptitude Battery) and the ACCUPLACER.
- Complete the revision of the K-12 science curriculum to include the implementation of the Next Generation Science Standards. Prepare for the implementation of the revised high school science sequence, with Biology as the freshmen level course in September 2016 (finalizing curricula, identifying instructional materials, creating model lessons).

ACTION AGENDA
October 20, 2015

D. POLICIES & LEGISLATION COMMITTEE

- Convene monthly meetings of the Middle Level Committee (comprised of certificated staff, parent representatives and administrators from all three middle schools) to evaluate the current middle level program, including the analysis of: the daily schedule (allocation of time), the organization of students, and the organization of staff, the curricular programming, the pedagogical approach, and the co-curricular/extra-curricular opportunities.
 - Short term and long term goals will be developed, with regular updates presented monthly to the C&I Committee, including at least two formal presentations (October 2015 & February 2016), and formal recommendations in May 2016.
- Implement long term goal action steps, based upon the Special Education External Program Review conducted in the 13-14 school year, including:
 - Assess the effectiveness and the impact of the short term action steps implemented during the 14-15 academic year.
- Train English Language Arts teachers, at all grade levels, in use of Reciprocal Teaching, as a pedagogical approach, to improve student independence and learning.

2. Create a cost-effective budget that provides for educational resources as well as preventive maintenance and ongoing facilities improvement in all schools.

Within the 2015-2016 academic year the following measureable actions will be achieved:

- Finalize the Energy Savings Improvement Plan
- Complete SDA projects and maintain a priority list should additional grant opportunities become available
- Complete the 2014-15 facilities work specified within the strategic planning committee timeline
- The Business Office and Human Resources will analyze the cost of substitutes (long term, daily and para-professionals) and determine the most cost efficient method of providing these services in the future
- The Business Office and Human Resources will implement requirements under the Affordable Care Act, especially compliance with IRS regulations 1094c and 1095c
- The Business Office and Human Resources will analyze the District's prescription plan to determine the best program option for containing costs
- Implement Year Two activities identified in the district sustainability plan prepared in the 13-14 school year

ACTION AGENDA
October 20, 2015

D. POLICIES & LEGISLATION COMMITTEE

3. Enhance communication with and outreach to internal and external stakeholders.

Within the 2015-2016 academic year the following measureable actions will be achieved:

- Implement technology to expand the number and scope of “Community Conversations” to build upon opportunities for interaction between the district and community.
- Expand the means and manpower through which we consistently inform our legislators of budgetary constraints.
- Enhance and update the District’s electronic presence through the district website, the school websites (redesigned using a template consistent with District web site design and launched over a staggered time frame throughout 2015-2016) and social media to present a forward-thinking image in line with our District excellence.
- Implement the new student information system, Genesis, via a multiphase plan culminating in complete launch in September 2016.
- Survey the community regarding the preferred mode of communication they would like the district to use to reach those without computers.

4. Enhance relationships with internal stakeholders (students and staff)

Within the 2015-2016 academic year the following measureable actions will be achieved:

- Increase the diversity of staff to more closely reflect the diversity of the student population
- Expand training program offerings for educational assistants including half days for 2015-2016 school year on student early dismissal days.
- Develop and implement comprehensive recruitment protocols to be used by Human Resources and administrators for the interview and selection of all certified administrator and all secretarial and CHEA support positions
- Provide cultural proficiency training to an additional forty percent of the School Safety Teams in the district.
- Develop and implement a second set of two action steps (focused on school based practices) at each district school, through the analysis of the climate survey administered during the 13-14 academic year. The action steps will be shared as a comprehensive plan and will be evaluated, through building based survey data, prior to the conclusion of the 2015-2016 academic year.
