

**GOVERNING BOARD MEETING MINUTES – June 12, 2024**

**A. Meeting Opening – 6:00 PM**

Call to Order

Mr. Montero called the meeting to order at 6:00 PM.

Roll Call

Board Members present: Armando Montero (President), Sarah James (Vice President), Amanda. Steele, and Andres Barraza. Absent: Berdetta Hodge.

Ms. Hodge joined the Study Session at 6:12 PM.

Adoption of the Agenda

On motion of Mr. Montero, seconded by Mr. Barraza and passed 4-0 (Mr. Montero: aye; Mrs. James: aye; Mrs. Steele: aye; and Mr. Barraza: aye), the Governing Board approved the meeting agenda.

Mr. Montero moved agenda item *E-1 Presentation* below item *G-1 Public Comment*. Mr. Montero said the meeting would move into the Executive Conference Room for the Study Session, and the meeting would return to the Governing Board Room around 7:00 PM. In compliance with Open Meeting Law the Executive Conference Room doors remained open for the duration of the Study Session.

**B. Executive Session**

The Governing Board did not meet in Executive Session.

**C. Study Session - Governing Board Evaluations**

- Ben Kleban, Consultant with Empowered Governance, led governing board members and the superintendent through collected data and themes from conducting individual interviews and reviewing the self-evaluation responses.
- Mr. Kleban said he selected some anonymous individual comments and was prepared to offer recommendations based on identified themes.
- Mr. Kleban asked board members to review *Board Policy BBA – Governing Board Powers and Responsibilities* as a refresher. Mr. Kleban and board members worked collectively in the previous school year on revising policy BBA.
- Mr. Kleban reviewed the Top 5 and Bottom 5 rated survey questions: pointing out themes on trust, policymaking, and board involvement in setting board meeting agendas.
- Mr. Kleban provided six recommendations for future consideration:
  1. Taking the Governing Board and Superintendent’s Communications Handbook and compiling targeted information that the board can reference on a consistent basis.
  2. Scheduling out board meeting agendas based on the monitoring calendar and policymaking. This ensures equitable input and no surprises.
  3. Operate as a whole board. If it’s not performance monitoring or policymaking, we shouldn’t be doing it.
  4. Time limit on speaking during board meetings: 10 minutes per item, per board member—to be enforced by the Board President.
    - Mr. Montero said he wanted to make sure all board members were okay with enforcing this rule. All board members agreed that they’d be comfortable with a 10-minute speaking cap and Mr. Barraza suggested adding it to the board agenda, similarly to the verbiage for public comment. Ms. Hodge said she would look at how the City of Tempe states speaking time limits in their agenda and share back with the board.
  5. When appropriate, use independent legal counsel vs. district legal counsel.
  6. Mr. Kleban suggested additional governance support as needed.

#### **D. Reconvene – 7:00 PM**

Welcome—Mr. Montero welcomed everyone at 7:08 PM.

Pledge of Allegiance/Moment of Silence—Mrs. James led the Pledge of Allegiance and moment of silence.

Land Acknowledgement—Mrs. James read a statement acknowledging Tempe Union’s presence on the ancestral lands of the Akimel O’odham and Pee Posh Indigenous peoples.

#### **F. Report from Acting Superintendent**

##### F-1—Student Recognition – Macie Logan

Dr. Wilson said last month, on National Fentanyl Awareness Day, Arizona Attorney General Kris Mayes announced that a public service announcement created by Mountain Pointe student, Macie Logan, had won a statewide contest and would air on television stations and streaming platforms to increase awareness of Arizona’s drug abuse problem. Ms. Logan was also recently recognized by the district’s Career and Technical Education program as CTE Student of the Year. Macie spoke at the podium thanking the Mountain Pointe film program and mentor, Mr. Warren Cole. Ms. Logan also thanked her mother and asked board members for continued support of CTE programs.

##### F-2—Student Recognition – Cordelia Ellsworth

Dr. Wilson recognized Marcos de Niza student, Cordelia Ellsworth, who was awarded the prestigious Stamps Scholarship. This internationally esteemed award is given to extraordinary students who show exceptional promise and leadership. Cordelia is one of six scholars at the University of Arizona's Franke Honors College and one of about 360 nationwide to be honored with this distinction. Ms. Ellsworth spoke at the podium, thanking her family, governing board members, and Marcos de Niza High School.

#### **G. Public Comment**

- Betsy Lynch, community member, said she feels the district could benefit from support services because of the transition in programming at the district, specifically the changes at Success University. Ms. Lynch said students need more transitional time and as a representative of the Down Syndrome Network of Arizona she would like to discuss a potential partnership.

#### **E. Presentation - City of Tempe’s Real Time Operations Center**

- Mr. McDonald introduced City of Tempe Interim Deputy City Manager Greg Ruiz and IT Manager Eric Jensen, presenting on the city’s RTOC. Mr. McDonald said board members and executive team members had the chance to tour the City of Mesa’s RTOC and these partnerships provide additional layers of safety.
- Mr. Ruiz said that the City of Tempe utilizes existing cameras throughout the city to watch and respond to real-time crimes and emergencies, allowing responders to cut back on response times. The city is looking to partner with local schools, accessing and sharing camera footage for increased safety.
- Mr. Jensen said that currently, the city is working with Arizona State University on utilizing their campus cameras, and overall, 20% of camera utilization at the RTOC is through Tempe businesses.
- Mr. Montero said that the intergovernmental agreement between TUHSD and the City of Tempe would appear on the June 26<sup>th</sup> board agenda.
- Ms. Hodge asked Mr. Ruiz and Mr. Jensen to provide an example of how school cameras could be used in a situation like a school shooting. Mr. Ruiz said the cameras are game changers and they allow for law enforcement to locate the shooter, improving response times, and that ultimately, it’s hard for criminals to run from cameras.
- Mr. Barraza said the RTOC was very impressive and said he saw firsthand how it can help mitigate issues. Mr. Barraza asked the presenters to clarify for the community how privacy ties into the surveillance of cameras. Mr. Jensen said the city can implement geo-fencing, blocking out certain areas like someone’s backyard.
- Mrs. James said it’s sad that we must discuss these scenarios, but that it is the reality. Mrs. James asked about accessibility to school cameras and wanted to clarify this isn’t a live campus feed. Mr. Jensen said they would perform a risk analysis to determine which cameras were most effective and that all efforts and utilization would be coordinated with the district.

- Mrs. Steele said she was happy to know the city also uses the cameras to bring out other services, like social services for those in need.
