I. Business Services

I-1— TUHSD Participation Fees/Ticket Prices

- Dave Huffine, Director of Athletics and Activities, presented on the potential to increase revenues in Account 11 to allow TUHSD Athletics to continue to provide valuable opportunities to students, families, and the community.

- Mr. Huffine said that Account 11 pays for security guards, event workers, meal money, referee pay, varsity letters, police, tournament registration, and Hudl for athletic events.
- As of April 2024, each school's Account 11 was in the negative, collectively totaling -\$339,211.64. Many of the fees were suspended during COVID-19 and the district never resumed collecting participation fees since.
- Mr. Huffine presented three options that could assist the district with recovering some of the costs associated with athletic events and said that careful consideration was taken when reviewing fees, and a \$200 cap would be instituted for students/families participating in multiple athletics. Mr. Huffine also mentioned that families could donate through the Arizona Tax Credit Program and receive their \$200 dollars back dollar for dollar.
- Mr. Huffine said while compiling the data for this presentation he learned Mesa Public Schools rid their participation fees completely and were piloting to gauge long-term effects.
- Mr. Huffine said students who are currently eligible for free and reduced lunch would receive a reduced fee for participation.
- Mr. Montero said he appreciated the cap per student/family because he wanted to ensure there were no barriers to a student's ability to participate. Mr. Montero asked if all monies received into Account 11 were deposited into one (1) account. Mr. Huffine responded yes, Account 11 is one (1) centralized account.
- Mr. Barraza said he was in support of Option #1 for its affordability, and said he was sitting on the board when participation fees went away during COVID-19 and always knew that decision would need to be revisited. Mr. Barraza said he was appreciative of the committee taking students into consideration who received free and reduced lunch assistance.
- Mrs. James said Option #1 was a responsible move to sustain programs and requested the district continue to educate families on the Arizona Tax Credit Program. Mrs. James said she wanted to clarify that while Mesa Public Schools rid participation fees, the state of Arizona is in a financial crisis when it comes to public education and that the presentation offered a responsible strategy to help avoid further crisis.

The Governing Board approved participation fees and ticket prices Option #1 as submitted by the committee.

Option #1 includes:

- a) Raising student passes from \$25 to \$50: **\$63,850**
- b) Raising ticket prices from \$5 to \$7: **\$128,682**
- c) Athletic participation fees reinstated to \$50: **\$328,700**
- d) Anticipated increase **\$389,732 - \$422,622 / Account 11 = \$50,510.36 - \$83,400.36**
