B-1—Strategic Plan Update – Dr. Connie Kamm

Dr. Kamm presented an update on the scheduled Strategic Planning Workshops and Presentations from March through June 2023; and shared the Agenda for Community-Based Strategic Planning Workshops.

- Mrs. Steele said she is big on accessibility and wants to make sure all students have access; she asked if we can make sure that the speech language pathologist have time to look at the questionnaire, so all students can access it.
- Mrs. James asked that if contact will be made with the Youth Council advisor; and asked with focus groups being random, how is that going to be handled.

Dr. Kamm informed the Board the various ways TUHSD has been advertising the workshops via social media, Principal weekly newsletters, invited Kyrene and Tempe Elementary District, and hand-held fliers for our Guadalupe community.

**C. Report from Superintendent**

C-1—Student Recognition – McClintock, Lily Fox

Dr. Mendivil introduced McClintock High School student Lily Fox who was accepted to the United States Senate Youth Program last December, she is one of two delegates from Arizona. Lily traveled to Washington, D.C. this month to participate in the program. Lily will also receive a \$10,000 college scholarship in the name of the United States Senate.

Lily Fox thanked all social studies teachers over the years, they have been the inspiration to have such a passion for American history and public policy; thanked speech and debate coaches Mr. Glover and Mr. Cornwell for offering a platform where she can speak her voice. Lily shared her experience at the United States Senate Youth Program was the most recognizable experiences of her life from being able to sit and talk to woman who prosecuted the murder of George Floyd with the Department of Justice to sitting down and talking with Sonia Sotomayor of the Supreme Court; her week in Washington reminded her that there is hope and there is a path forward.

C-2—Desert Vista Girls Basketball

Earlier this month, Desert Vista girls' basketball team won the inaugural Open Division girls' state championship. Led by Head Coach Dave Williams, your 2022-2023 Thunder are: Amaya Bagley, Madison Brown, Eanae Dagon, Michaela Fairwell, Marissa France, Sarah Gannon, Laana Hill, Wrenwyck (Shay) Ijiwoye, SaRae

Kennard, Katelyn Larney, Jerzy Robinson, Dylan Swindle, Sydney Taylor, and Sophia Yancy.

Dr. Mendivil said Tempe Union is proud of their accomplishments both on and off the basketball court; and introduced Coach Williams.

Coach Williams was thankful for the opportunity and recognition; said the young ladies are amazing; the biggest thing he takes away from this year is the willingness to be coached; they found a way to be supportive of each other an example of that was three-minutes and twenty-seven-seconds (00:03:27) to go made a sub in the championship game, Bagley shot a 3 (three); and would have thought that was the winning shot. Coach Williams introduced 2 (two) players to the podium.

Wrenwyck (Shay) Ijiwoye and Jerzy Robinson said they were representing the Desert Vista Girls Basketball Team; thanked everyone for having them present and for the recognition. Jerzy shared the team worked hard all season and ended up on top with the state championship and open division championship; thanked the Desert Vista family and asked to stand to be recognized for their time and sacrifices and know that none of this would be possible without them. Shay thanked Administration and Coaches.

Coach Williams asked for Coaches Duane Casey, Coach Jaime Williams, and Principal White to stand to be recognized.

**D. Public Comment**

The following individual provided public comment:

- Megan Davis Dey, Parent, said she has a son who graduated Marcos de Niza in 2022 and a daughter who is currently a freshman; both have needed IEP's since preschool. Ms. Dey has worked as a therapist since early 2000's with public, charter, and private schools; she is a proponent of co-teaching to provide excellent academic support to students. Ms. Dey said her son graduated in 4 (four) years, attended EVIT, working and attending Mesa Community College; she credits the special education team at Marcos de Niza for providing a system that enabled her son to maximize his abilities; her daughter was attempting school refusal and her team worked tirelessly to provide support; her greatest challenge is her science class; it is a general education co-taught class; Mr. Muir did all he could while still providing quality education; without Ms. Thornal, co-teacher, Mia would have frowned academically. Ms. Dey said she believes she could do well in Science, Social Studies, and History classes that have a designated co-teacher in each classroom; she said if she could do anything to assist with exploring options to keep this program she is available.

**E. Consent Agenda**

**Mr. Montero moved approval of Consent Agenda Items E-1 through E-10. The motion was seconded by Mrs. James and passed 3-0 (Mr. Montero: aye; Mrs. Steele: aye; Mrs. James: aye).**
