La Salle's student fundraiser provides opportunities for every student to meet their required fundraising commitment of at least \$150 this school year. All net proceeds from the student fundraiser support need-based financial assistance and funding community-building efforts such as class retreats, St. La Salle Day festivities, clubs, and more, impacting every La Salle student.

There are **two ways you can reach this fundraising goal:**

Option #1: BETTER TOGETHER WREATH SALE - OCTOBER 7 - 25

What you'll do: Sell wreaths, and garland to family, friends, and neighbors.

Opportunities:

- The wreaths and garland are locally made with high-quality greens
- Many people already want to buy wreaths and garland this time of year
- Almost anyone is a potential customer, family friends, neighbors, parents' co-worker
- Donors receive something – a wreath or garland – in return for their donation
- Wreaths can be shipped near and far via UPS shipping.
- You only need to sell 9 wreaths to meet your fundraising goal for the year!

Considerations:

- You must pick up your orders November 24-26 and deliver to your donors
- Because we're selling a product, there is a cost associated with the transaction. La Salle provides 50% of the sale of wreaths, 30% of the sale of garland and 30% of UPS sales toward the student's goal.

Option #2: BETTER TOGETHER STUDENT FUNDRAISER - FEBRUARY 24-MARCH 7

What you'll do: Ask for donations for our Better Together fundraiser second semester. More information will be provided in your Falcon Homeroom. Visit lsprep.org/bettertogether for more information.

Opportunities:

- 100% of what you raise counts toward your \$150 goal
- Neighbors, friends, and family can support you with any amount
- You can use a personal Better Together giving page to (email your supporters) through your personal Better Together giving page.

Considerations:

- You are asking for a cash donation: there is no product to give people for their donation.

Option #3: WREATH SALE & BETTER TOGETHER

What you'll do: Sell wreaths, and garland to gain a percentage of those sales toward your goal, then secure individual donations for Better Together later in the year to reach the \$150 commitment.

Advantages:

- See above. Plus, if you still need to raise money after the sale to reach \$150, you will know exactly how much you need to raise through Better Together Student Fundraiser.
