B. Teaching & Learning

B-1—Instructional Time Model

Mrs. Hilgers, Dr. Aleksic, Mrs. Meulemans and Mr. Andreasen presented *Instructional Time Model*. Some Governing Board questions:

- Mr. Barraza asked if something be in place for suspended students. *Suspended students are able to receive remote instruction. We're also preparing for additional flexibility with evening and Saturday school as well as zero and 8th hour.*
- Mr. Montero asked what the process is for students who are quarantined or Covid positive. *Schools provide links to classes for students who are quarantined. Sites assign a staff member to ensure there is communication between the student and their teachers. If a student tests positive, we will work with and support that student when they return to help them get caught back up in their classes.*
- Mrs. James asked if there will be opportunities for classes that don't make at all campuses. *Collaborative courses are already happening across the district. Academic Assistant Principals looked at courses students had an interest in and paired with another school to allow for remote learning to take place.*

Board members thanked everyone for the presentation.

C. First Public Hearing
