ITEM 6. RESOLUTION OPPOSING SENATE BILL 1191 AND ASSEMBLY BILL 3627

WHEREAS, New Jersey's boards of education represent the community's interests in the governance and budget oversight of school districts that collectively serve the health and educational needs of nearly 1.4 million children; and

WHEREAS, school boards continually strive to provide cost-effective ways to deliver services, which will free up additional funds to be used in the classroom or for property-tax relief; and

WHEREAS, many New Jersey school boards have found subcontracting of services such as transportation, cafeteria and maintenance is an option that has saved millions of tax dollars every year; and

WHEREAS, 40 percent of school districts responded to a 2009 survey conducted by the New Jersey School Boards Association, which found the responding districts saved more than \$34 million annually through subcontracting services; and

WHEREAS, Senate Bill 1191 and Assembly Bill 3627 of the 2012-2013 Legislative Session is a bill that would place severe obstacles in the way of a school board's ability to subcontract services and save tax dollars; and

WHEREAS, Senate Bill 1191 and Assembly Bill 3627 would remove a school board's option to subcontract services, thereby diverting funds from the classroom and burdening property taxpayers.

NOW, THEREFORE, BE IT RESOLVED that the Cherry Hill Board of Education, in its continued effort to provide cost-effective school operations to the community, opposes Senate Bill 1191 and Assembly Bill 3627; and be it further

RESOLVED, that the Cherry Hill Board of Education calls on the New Jersey Legislature to reject any such measures that will have the effect of depleting limited resources from our classroom; and be it further

RESOLVED, that a copy of this resolution shall be forwarded to members of the Sixth legislative district delegation, legislative leadership and to the Governor of the State of New Jersey, and to the New Jersey School Boards Association.
