**ITEM 6. HIB APPEAL DETERMINATION**

Case No. 11-12:108

At its November 22, 2011 meeting, the Cherry Hill Board of Education conducted a hearing at the request of the parent of the student accused of committing an act of Harassment, Intimidation and Bullying (“HIB”) in the above-referenced case. The Superintendent and the Board had previously determined that the pupil’s actions in this case did constitute an incident of HIB.

Upon consideration of the information provided by the parent at the hearing, as well as a review of the investigation documentation and input from the Superintendent and Building Principal, the Board concludes that the student’s actions in this case did not meet the statutory definition of HIB. It appears that the prior finding that this matter did involve an incident of HIB was due in no small part to the stringent timeline imposed by law on HIB investigations, which did not permit sufficient time to obtain necessary additional information.

The Board therefore determines, with the consent of the Superintendent, that: 1) the Superintendent’s prior determination that the student’s conduct constituted HIB is rejected; 2) the Board’s prior determination that this student committed an act of HIB shall be vacated; 3) any reference to commission of an act of HIB shall be removed from the pupil’s record; 4) the prior pupil discipline imposed pursuant to the Code of Conduct, and the remedial actions implemented, shall not be modified; and 5) the Superintendent shall provide the parents of the student and the victim with appropriate written notification of this determination.

APPROVED, the 20<sup>th</sup> day of December, 2011.

Resolved, following a hearing conducted pursuant to *N.J.S.A. 18A:37-15 b.(6)(d)*, that the Cherry Hill Board of Education approves issuance of its written decision in HIB Case No. 11-12:108, and in accordance with such decision rescinds and vacates its prior determination that this matter constituted an incident of HIB.
