

Summer 2021 Updates

Thanks to an extension of federal funds, WE will continue to distribute 7 free breakfasts, 7 free lunches, and 10 free snacks per week to EACH student in Cherry Hill -- public, private or home schooled -- through this summer. No income threshold is necessary to receive meals/snacks.

Also through the summer of 2021: Any family currently receiving free wifi from the District will automatically keep it through the summer, unless their youngest/only child is a high school senior (Class of 2021).

Snacks Added to Meal Distribution Each Monday

Beginning Monday, March 15, 2021, snacks will be added to our distribution of FREE meals to ALL CHERRY HILL STUDENTS (public, private and home-schooled). Come pick up 7 breakfasts, 7 lunches and 5 days' worth of snacks (dry & nut-free and refrigerated items) each Monday. Academic enrichment worksheets about health and nutrition will now be included, too.

Meal distribution during Spring Break will be on Monday, March 29, 2021.

Mask Up to Pick Up!

Friendly reminder: Please mask up when picking up FREE meals/snacks! WE want to keep you & our Aramark team safe & healthy as they hand out meals to 1,000+ cars each Monday while being unable to maintain 6 feet of distance. These are state, Cherry Hill, Aramark & CDC guidelines.

Travel Quarantine Information Available on COVID-19 Checklist

CHPS Postcard

Maintaining the health and safety of our school community is of utmost importance, particularly during this unprecedented pandemic situation. Providing a safe environment is a partnership between parents/guardians and the school district. **Please note that the state of**

New Jersey strongly discourages all non-essential, out-of-state travel at this time. If your child has traveled or travels during Spring Break, please follow the <u>guidelines from the NJDOH and the CDC</u>, linked from our <u>COVID-19 Checklist</u>.

The CHPS has put into place many measures to keep our students and staff safe while they are in school. We ask that our parents and guardians help to prevent the spread of COVID, as well as other illnesses by:

Following the COVID-19 checklist guidelines

Reporting to the nurse if your child or any household member tests positive for COVID, or if they have an actual or suspected COVID exposure

Keeping your child home when they are sick,

Promptly picking your child up if they become sick at school,

Alerting the school nurse about any planned travel to discuss the required post-quarantine guideline, prior to sending your child back to school

If you have any questions or concerns, please reach out to your school nurse for guidance.
