Updates Including Plan for 4-Day Hybrid Model 2/26/21

Minute with Dr Meloche 2 26 21

Minute with Dr. Meloche Includes Updates on Plan for 4-Day Hybrid Model

In today's extended "Minute with Dr. Meloche," above, the superintendent covers a multitude of topics, including our just-released state aid numbers, our upcoming Town Hall, and the transition to the 4-day Hybrid Learning Model! Be sure to watch all 2-and-a-half minutes!

Please note that the parent survey -- accessible in the Genesis portal -- about the Hybrid Model closes tomorrow, Saturday, February 27, 2021. Students whose parents do not complete the survey will be assigned to the group for which they are currently registered.

Community Input Sought on Topic for Next Town Hall

On March 15, 2021 we will hold our next Town Hall Meeting. Previously this school year, CHPS has held Town Halls on the Hybrid Learning Model; Elementary School Sending Areas/Middle School Configuration; and Budget & Funding. We plan to devote the next Town Hall to a

singular topic with several points of discussion included. Please let us know in our latest [ThoughtExchange](#) what topic you'd like to discuss, and what details you'd like included in the discussion. This [ThoughtExchange](#) will open until Tuesday, March 2, 2021 at 8 pm.

Meal Distribution Continues Each Monday

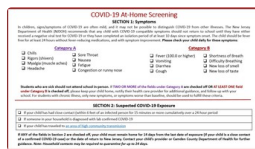

Our distribution of FREE meals to ALL CHERRY HILL STUDENTS (public, private and home-schooled) continues each Monday. Come pick up 7 breakfasts and 7 lunches per student from noon-2 pm and 4-6 pm at High School East or High School West (typical PER CHILD food pictured at left) -- no income threshold required!

COVID-19 Prevention Guidelines

Maintaining the health and safety of our school community is of utmost importance, particularly during this unprecedented pandemic situation.

Providing a safe environment is a partnership between parents/guardians and the school district. The CHPS has put into place many measures to keep our students and staff safe while they are in school. We ask that our parents and guardians help to prevent the spread of COVID, as well as other illnesses by:

- Following the [COVID-19 checklist guidelines](#)
- Reporting to the nurse if your child or any household member tests positive for COVID, or if they have an actual or suspected COVID exposure
- Keeping your child home when they are sick,
- Promptly picking your child up if they become sick at school,
- Alerting the school nurse about any planned travel to discuss the required post-quarantine guideline, prior to sending your child back to school

If you have any questions or concerns, please reach out to your school nurse for guidance.
