## CHPS COVID-19 Dashboard Corrections

We understand there has been confusion in the Cherry Hill Public Schools community regarding discrepancies in the number of positive cases recorded on the [COVID-19 Dashboard](#) and the number of positive cases communicated in letters to parents. We apologize for the confusion and have reformatted the reporting process to ensure accuracy on the [COVID-19 Dashboard](#), available at <https://www.chclc.org/covid19dashboard> and updated every Friday.

# COVID-19 Prevention Guidelines

Maintaining the health and safety of our school community is of utmost importance, particularly during this unprecedented pandemic situation.

Providing a safe environment is a partnership between parents/guardians and the school district. The CHPS has put into place many measures to keep our students and staff safe while they are in school. We ask that our parents and guardians help to prevent the spread of COVID, as well as other illnesses by:

- Following the [COVID-19 checklist guidelines](#)
- Reporting to the nurse if your child or any household member tests positive for COVID, or if they have an actual or suspected COVID exposure
- Keeping your child home when they are sick,
- Promptly picking your child up if they become sick at school,
- Alerting the school nurse about any planned travel to discuss the required post-quarantine guideline, prior to sending your child back to school

If you have any questions or concerns, please reach out to your school nurse for guidance.
