District Mission Statement

WE shall provide all children with an education that develops open-minded thinkers with the strong academic and interpersonal skills to thrive in an ever-changing world and make it a better place for all.

Overview of Board of Education Goals

Student Wellness – Create frameworks of learning and support for all students to develop the skills needed for social and emotional wellness.

Purpose & Passion – Develop highly engaging learner-centered experiences within an environment that promotes voice, choice, and passion for learning.

Connecting Beyond Our Classrooms – Provide resources, opportunities, and experiences for our students to connect to the world beyond their classrooms and to become informed and empathetic agents of change in the world.
