District Goals for 2020-2025

Building upon our strong foundations of academic excellence, inclusion, voice, and cultural proficiency, we will:

- **Student Wellness:** Create frameworks of learning and supports for all students to develop the skills needed for social and emotional wellness.
- **Purpose & Passion:** Develop highly engaging learner-centered experiences within an environment that promotes voice, choice, and passion for learning.
- **Connecting Beyond Our Classrooms:** Provide resources, opportunities, and experiences for our students to connect to the world beyond their classrooms and to become informed and empathetic agents of change in the world.
