**Credit Recovery and Remediation**

Students who earn a D or F in most of our courses are eligible to participate in our credit recovery/d-validation program (CP level options only). ### Spring/Summer 2020 and 2020-2021 School Year Grading

Due to the coronavirus pandemic, Tustin Unified School District adopted a **Credit/Incomplete Grading Policy** for the **Spring/Summer 2020 semester** and **School year 2020-2021**. A "CR" for Credit indicates that the student fulfilled course requirements satisfactorily. A "NC" for No Credit indicates that the student did not fulfill course requirements; this does not count in the student's GPA. An "I" for incomplete indicates the student was not able to complete the course. Only students who submitted a petition for a letter grade during this time received traditional letter grades on their transcript.
