Medication given at:  Home  School  Only in Emergency

When possible, the parent/legal guardian should arrange for the student to receive medication before or after school hours.

Medication should be brought to the health room in its original container and the appropriate forms should be completed prior to a student receiving medicine at school. Parental consent is required for non-prescription medication and both parental and student’s healthcare provider signatures are required for prescription medication. Students that will self-medicate/carry his or her meds while at school (i.e. albuterol inhaler) should have a “**parental release**” and “**self-medicating and/or self-monitoring**” forms completed by the parent, health care provider and student.

I GIVE THE SCHOOL NURSE PERMISSION TO CONTACT THE LICENSED PRESCRIBER AND/OR SHARE THE ABOVE INFORMATION WITH SCHOOL STAFF AND DISTRICT STAFF AS NECESSARY FOR MEETING MY CHILD’S EDUCATIONAL NEEDS.
