DO NOT BRING SICK CHILDREN TO SCREENINGS OR EVALUATIONS

Children must be fever/symptom free for 24 hours. Call the number below to reschedule of your child is sick.

Due to limited space and the nature of our screening process we are typically unable to accommodate additional children at the screening. It is preferred you make alternate childcare arrangements for children who are not being screened. If you must bring other children, there is an outdoor picnic table where you are welcome to wait as we complete the screening.
