A note from the principal:

Greetings,

With the final week of the six weeks I want to be sure that nobody is surprised when grades come out. The M in F.A.M.I.L.Y. stands for Meaningful communication, and we take that seriously. There should be seamless communication with both teachers and our office personnel, and you should not have to struggle with finding information. I hope you are comfortable with Parent Portal, and Canvas, and with reaching out to us via phone or email if you ever have questions. We are committed to the success of every student, and we know that it will take us all.

Warmest Regards,
David Coker

UIL and Academic Eligibility

As we wrap up our first grading period there are a few things I want to be sure you know. Friday at the end of the school day our 1st six weeks is officially over. Students have until then to be sure that they have everything turned in or made up. If this is your first time to be concerned about eligibility for extra-curricular events I will describe how that works. Students who are failing one or more classes at the end of day Friday will become academically ineligible.

The UIL builds in a one week grace period, to allow for grading errors or students who may have been absent at the end of the period. This means that students who are in this category are no longer able to participate in games starting at the end of day the next Friday, in this case the 20th. They remain ineligible for a minimum of three weeks. If they are passing everything at the next progress report, they will regain their eligibility after the one week grace period again, or on October 18th (because all students are eligible on Fall Break.) I hope this helps, but if you still have questions please contact your child's coach or the front office.

MMS Electronics Acceptable Use Agreement

Your child was given an electronics acceptable use agreement to have signed and returned. Please have those returned to campus by September 10th. If yours did not get home, you can call the school or have your child get a new one from the front office.
