A note from the principal:

Greetings,
Just like that August is a memory and September is upon us. Volleyball is in full swing and football games will begin soon. We have also begun tryouts for our UIL academic teams. Please encourage your student to tryout for as many teams as they would like. We started this back last year, but want to fill all of our rosters this year and become more competitive. If your child is not sure what events they want to try, or how to go about this, please have them talk with their teacher or myself. We want high participation this year.

Warmest Regards,
David Coker

UIL Academic Team

Once again we will be participating in the District UIL Academic Team competition. We would like for all students to be able to experience this.

Competitions include such things as:

Mathematics; Music Memory; Oral Reading; Art; Maps, Graphs, and Charts; Impromptu Speaking; Dictionary Skills; Number Sense; Social Studies; Modern Oratory; Calculator; Spelling; Science; Listening; Chess Puzzle; and One Act Play.

If your child is interested in any of these, please have them talk with either myself or one of their teachers to get more information. This was a great experience last year and we are hoping to build our program each year!
