A note from the principal:

Greetings,
I hope that you have all enjoyed the first couple of weeks of school. It has been a great time from our perspective. Now that we are well into the curriculum, we may well have some students begin experiencing some difficulties. I want you to be aware of some ways that we offer help in these cases. We have tutorials every morning from 7:30 to 7:50. We also have study hall every Tuesday and Thursday during our CKH time. Aside from those, our teachers are always willing to help in any way possible. Encourage our child to be talking with their teacher and communicating any difficulties that they may be having.

Warmest Regards,
David Coker
