Lead Principal: Jon Francies

Working in Partnership / Local Board Survey

Dear Parents/ Carers,

It has been a fantastic September at TSLA. Our students have really risen to the challenge with the best attendance since the Pandemic, record reward points and fewest behaviour points.

Working in partnership is so important to continue the excellent progress being made.

Local Board Survey

We would like to introduce the Local Governing Board, the group that oversees our school. They work with the University of Brighton Academies Trust to make sure our school is safe and provides a good education. The Local Governing Board listens to parents, guardians, and teachers to make the best decisions for our community. Your feedback is important to them, and they are here to support you and your children.

To help us understand what you think, we are starting the School Community Survey. This survey will ask about your opinions and feelings about what is important for our school.

Here is why the survey is important:

- **Understanding Your Views:** We want to know what you think about our school right now. This helps us see what is working well and what needs to improve.
- **Working Together:** We want to make sure our school's goals match what our community wants. Your answers will help us make decisions that are good for everyone.

We hope you will take part in the survey. Your opinions are important to us, and they help us make our school better for everyone. We will share the survey results later in 2024 so you can see what everyone thinks.

Year 7 parent Survey 2024

Hugely Positive! The vast majority of our year 7s have made a great start. Students feel safe, well supported and happy with the transition. Some lovely comments

Areas we are following up from this and parents surgeries.

From the Survey and surgeries we are looking at

- Homework – watch this space! We are about to launch some new platforms and processes to encourage learning outside of the classroom
- Canteen – we are working with East Sussex and Chartwells to improve queue times and the quality of offer. We will keep you updated
- We are looking at communications to parents every two weeks. With an update style followed by a SWAY newsletter

Cont/

Inspiring our children and staff to flourish and achieve their best

Proud to be part of the University of Brighton Academies Trust

University of Brighton Academies Trust is a charitable company limited by guarantee, registered in England and Wales with company number 7185046.

Actions from previous parental views

- Changes to uniform (removal of some branded items)
- Extra staff to be on the phones during the day
- Paused the extension to the end of the school day for further work with public transport
- Shaped our current phone policy to allow students to have them before and after school.

Many thanks

Jon Francies
