Tryout Card

High School ONLY

Once the Physical, Annual Form, and Athletic Packet are COMPLETELY filled out, the athlete is responsible for turning them into Mrs. Kohr BEFORE tryouts.

****Please see the dates she will be available on the next slide. ****

The athlete will be granted a 'tryout card' once their forms are approved as accurately completed by the Athletic Office. At tryouts the athlete is to give their 'tryout card' to the coach in order for them to participate. If the athlete does not have a tryout card, they cannot participate until one is turned in to the coach.

The 'tryout card' is issued as a way to streamline the paperwork for our coaches. Instead of 3 forms, the coach gets one simplified form of vital information that is always carried in case of emergency.

Tryout Card

High School ONLY

A 'tryout card' is issued for every sport.

For example: If you participate in football, basketball, and track, then you must be issued a separate 'tryout card' for all 3 sports: a football 'tryout card', a basketball 'tryout card', and a track 'tryout card'.

The dates provided on this slideshow are in regards to student-athletes participating in a winter sport.
