**Snacks Needed!**

We are reaching out to ask for your support in providing prepackaged snacks for our students who may not have access to them during the school day. Unfortunately, our local snack program has been unable to supply us with the needed snacks due to funding limitations. Simply drop off a box of snacks, and we will distribute them to those in need. Healthy options that are lower in sugar are especially appreciated, as they help keep our students' energy levels stable and their minds focused. We are asking for donations the week of October 7 - October 11. Drop of donations at the main office. Thank you!
