October 1, 2024 is the official date for October count this year.

Student schedules will be frozen September 24, 2024-October 8, 2024 to ensure we have the most accurate student count for a number of reasons including funding. Student attendance is critical every day to ensure student success and engagement in classes. It's especially critical at this time of the year leading up to October Count and especially on October 1st. ***Please help ensure your child is in attendance these coming weeks and beyond.***
