Discussion/Business Items		
<p>Approval of the Minutes: A motioned to approve minutes by Evelyn, seconded by Site Counsel Member 5 -aye 0 -nay</p> <p>Evelyn discussed the College & Career Indicators measurements and emphasized staff development. Departments focused on increasing academic rigor, and all were trained to administer interim CAASPP assessments, highlighting the benefits for students and teachers. She also addressed EL support during Professional Development, the availability of credit recovery programs, and a supplemental curriculum for identifying gaps for EL students.</p> <p>Additional topics included lowering suspensions, using the Compass Curriculum, and reviewing the College/Career Dashboard Report for all student groups to set standards for math and ELA. Evelyn noted a disproportionately high rate of D/F/I grades among Latino students to identify root causes and possible solutions.</p> <p>Based on graduation rate data, the Principal joined the district Graduation Committee to address barriers to graduation and propose solutions to help San Juan Unified students succeed. Evelyn also discussed strategies to engage and motivate students toward college and career pathways, explaining how counselors and students would use Naviance for four-year planning and setting college/career goals.</p> <p>Evelyn discussed suspension data, addressing the group's question about the decrease in suspensions this fall. She highlighted the role of discipline intervention and coordination with middle schools. Evelyn also explained the funding sources for the LCFF Supplemental Site Allocation.</p>
