

# KINDERGARTEN NEWS

## SEPTEMBER

### FROM THE TEACHER

The first month of school will focus on rules and routines, developing focus and listening skills, and working on friendship skills. We will continue to work on these skills throughout the year.

Some skills to practice at home include: tying shoes and zipping coats, reviewing letter names and sounds, listening to stories, and counting and writing numbers, opening food packages and eating lunch quickly.

### WE ARE LEARNING

**Math:** We will practice counting, identifying numbers, developing number sense, and learning about 2-D shapes.

**Reading:** We will practice listening to a story and retelling the events of the story.

**Writing:** We are developing our drawing skills by using shapes to draw people and objects.

**Social Studies:** We will learn about the rules and routines of school.

### REMINDERS

- ★ **Please remember to help your child empty their backpack each night after school!**
- ★ Please call the office at (612)-668-5011 by 11:30 am for any changes to your child's transportation.

### IMPORTANT DATES

- ★ Oct. 3rd - No School (Rosh Hashanah)
