[Complete OMJ Readiness Seal Validation Form](#)

Senior Year: (4 Credits) Periods 2,3,7,8

Every organization is a business. Cooperative Marketing Management is a one-year internship program for seniors interested in business, marketing, and management. It provides career preparation in one of the largest and fastest-growing areas of our business community: marketing and management. Students will study marketing, as well as advertising, management, sales, entrepreneurship, e-commerce, computer technology, marketing research, communication, and employability skills. This cooperative learning will link real-life examples to concepts learned in the classroom. Students will attend class in the morning and then have the opportunity for early release to work during 7th and 8th period if they are employed.

COOPERATIVE MARKETING

Required Courses:

Ohio Department of Education required courses taught within the career-technical program.

Industry-Recognized Credential (IRC) Opportunities:

Each Ohio Department of Education approved industry-recognized credential has been assessed a point value based on employer demand and other factors to allow students the opportunity to bundle credentials for graduation. Career-technical education credentials primarily reflect education, industry licenses, industry certificates and postsecondary degrees.

Transcribed In-State Transferable Credit/CTAGs:

Alignment between secondary and postsecondary career-technical education content. Earned college credits are transferable to Ohio public institutions of higher education (OHE).

Articulation/Bilateral Agreements and Opportunities:

A partnership between institutions (PCSD and colleges/universities) to recognize credits which will be accepted when a student enrolls into a college or university to pursue a specific degree program.

[OHIO HIGHER EDUCATION CREDIT TRANSFER TOOL](#)

CTAG transferable credits are earned through career technical WebXam assessments (See **REQUIRED COURSES** on the first page) and are alignments between secondary (high school) and postsecondary (e.g., college) institutions.

The postsecondary institution retrieves and verifies data if the students check the box on their WebXam(s) giving consent. Support for acquiring CTAGs varies at postsecondary institutions. Students should notify the postsecondary institutions of their available CTAG transferable credits.

STEP 1: Pass PCSD Career Tech Program WebXam(s) and ensure the box at the end of the exam is checked allowing Ohio institutions to obtain score(s).

STEP 2: Contact postsecondary counselor and inform them of the CTAG transferable credits in the following areas:

142025 Supply Chain Management

141030 Strategic Entrepreneurship

STEP 3: Notify the postsecondary Registrar's office, Tech Prep office, or department chair as applicable.
