The demand for dental services continues to grow because of population growth, older people increasingly retaining more teeth, and a growing emphasis on preventive dental care. To meet this demand, facilities that provide dental care, particularly dentist's offices, will increasingly employ those trained in the dental field.

Required Courses:

Ohio Department of Education required courses taught within the career-technical program.

Industry-Recognized Credential (IRC) Opportunities:

Each Ohio Department of Education approved industry-recognized credential has been assessed a point value based on employer demand and other factors to allow students the opportunity to bundle credentials for graduation. Career-technical education credentials primarily reflect education, industry licenses, industry certificates and postsecondary degrees.

Transcripted In-State Transferable Credit/CTAGs:

Alignment between secondary and postsecondary career-technical education content. Earned college credits are transferable to Ohio public institutions of higher education (OHE).

Articulation/Bilateral Agreements and Opportunities:

A partnership between institutions (PCSD and colleges/universities) to recognize credits which will be accepted when a student enrolls into a college or university to pursue a specific degree program.

CTAG transferable credits are earned through career technical WebXam assessments (See *REQUIRED COURSES* on the first page) and are alignments between secondary (high school) and postsecondary (e.g., college) institutions.

The postsecondary institution retrieves and verifies data if the students check the box on their WebXam(s) giving consent. Support for acquiring CTAGs varies at postsecondary institutions. Students should notify the postsecondary institutions of their available CTAG transferable credits.

STEP 1: *Pass PCSD Career Tech Program WebXam(s) and ensure the box at the end of the exam is checked allowing Ohio institutions to obtain score(s).*

STEP 2: *Contact postsecondary counselor and inform them of the CTAG transferable credits in the following areas:*

072125 Medical Terminology
072075 Dental Technology
072076 Dental Radiography

STEP 3: *Notify the postsecondary Registrar's office, Tech Prep office, or department chair as applicable.*
