

The Accelerating Campus Excellence (ACE) initiative was formed in 2015-16 to transform schools through strong leadership and effective teachers enveloped in an environment of high expectations for students and staff members. To accomplish this goal, the Dallas ISD provided competitive stipends to incentivize top teachers and principals to relocate to the district's most challenged campuses. The ACE supported 23 elementary and middle schools in the district.

The rate of ACE campuses achieving the fourth or fifth quintile on the Culture of Feedback and Support section of the district Climate Survey (program goal) **increased from Fall 2023 to Spring 2024**

Fall 2023 **44%**

Spring 2024 **57%**
