## **Memo:**

**To:** Darin Crawford, *Assist Superintendent for Support Services*

**From:** James Briscoe, *Director of Procurement Services*

**Subject:** *Contract 24-09-6800 RFP Award Recommendation - Paint and Miscellaneous Supplies*

**Date:** 09/16/2024

Upon careful review and evaluation of the proposals submitted for Contract 24-09-6800 RFP, we recommend that The Sherwin-Williams Company be granted the contract due to their ability to offer the best value to the district.

The contract will be valid for one (1) year until September 30, 2025, and will renew automatically for two (2) additional one-year terms until September 30, 2027, unless either party provides a written notice of non-renewal at least thirty (30) days in advance. Upon mutual agreement, proposed prices can be extended beyond the firm price offer date on a month-to-month basis for up to 6 months.

The paint supplies provided by The Sherwin-Williams Company will be utilized by the maintenance department to address specific needs, including protection of interior and exterior surfaces against moisture, mildew, and/or mold. These supplies will effectively seal cracks and gaps, mitigating potential water damage. This is of paramount importance to the school district as it will help preserve the structural integrity of the buildings, mitigate health hazards associated with mold and mildew, and ensure the longevity of the facilities.

The Sherwin-Williams Company submitted bids for all 76 line items, with each bid meeting or surpassing product criteria and offering the lowest price for over 54 bids per line. Moreover, the company possesses a logistical advantage in meeting our delivery demands, with stores located within our district boundaries.

Should you have any inquiries or require additional information regarding this recommendation, please do not hesitate to reach out.

Sincerely,

James Briscoe

Director of Procurement Services Cypress-Fairbanks ISD
