SOUTH TEXAS WASTEWATER LLC.

March 7th, 2023

Region One Purchasing,

We would like to inform you that due to unforeseen circumstances, the public disposal facility in the Rio Grande Valley has been temporarily shut down.

We are having to transport all Grease Trap Waste to San Antonio facility.

Due to the increase in fuel usage and wear and tear on equipment, we will be adding a fuel surcharge of 20% per gallon.

Thank you for your understanding.

Sincerely,

Howard Adams
President

We had a price increase of 20% In March of 2023
 Item #1 is 30 cents per gallon didn't get changed
 Item #2 is 30 cents per gallon and did get changed but technically is the same as item #1
 Item #3 didn't get the 20% added and should be \$102
 Thank you

Good afternoon Howard.

Thank you for reaching out.

I have attached the letter we received from South Texas Waste Water and a copy of the current tabulation.

I sincerely apologize if we overlook any additional price changes that were to have gone into effect on March 13, 2023 following our meeting.

Please reply to this email and indicate the corrections needed.

Thank you, Howard and Miriam, for taking time to meet with us today and explain the situation.

On the attached letter can you revise the attached letter to clarify the 20% fuel surcharge. Is it 20% of the total invoice cost?

Thank you,
