I. Data Collection & Visualization Presentation
Presenter: Gail Dahling-Hench, Qin Qin, Sheila Judge

The Data Collection under the Infinite Campus program was presented and included all of the areas in which data is collected. The district has been using this program for a couple of years and has evolved its application to a high degree with many data points that include Assessments, Behavior, Attendance, Demographic info Grades and Enrollment and Scheduling. This data collection serves as a tool for teachers, students and administrators. It allows educators to view groups of children, classrooms, individual student performance and allows individual and teams of teachers to respond rapidly in an informed way to adjust instruction.

II. DHHS NEASC Visit Presentation
Presenter: T.J. Salutari and /Team

The high school team presented the process and preparations for the coming NEASC Site Visit which will occur on November 17 through 20th. It was noted that the faculty fully invested themselves in this process of continuous improvement that involved a tremendous amount of work. It was further noted that DHHS received federal Blue Ribbon School Status while undergoing this rigorous process. The Curriculum Committee members left the presentation confident that the high school is well prepared for this visit and expects a positive outcome and continuance of it's accreditation.

There was no public comment.

The meeting adjourned at 6:25pm
