

WE WANT TO HEAR FROM YOU!

Yuba County Office of Education wants to hear from you for a community schools needs assessment. This is an important survey that will help gather information from students, parents, staff, and community members in support of our schools.

The survey asks questions about student and family engagement, leadership, classroom instruction, school climate, learning opportunities, student and family supports, and other ways to improve our schools. Please take a few minutes to complete the survey by scanning the QR code below.
