

OCTOBER TPRS NEWSLETTER

GENEROUS DONATIONS

TPRS received a generous donation from Crossroads Church to help support student attendance and parenting efforts. Crossroads Church collected and delivered baby supplies, snacks, gift cards and other much needed items. TPRS students and families are very grateful for the gifts they provide throughout the year to support our efforts for students to stay in school. Crossroads also supports our TPRS families by providing mentoring and instruction weekly through their church based programs EMBRACE, LEGACY, and LIFE. Crossroads always encourages the TPRS team and supports any effort that we encounter. We extend a huge "Thank You!" to our Crossroads family and Pastor Jeremiah Ramer and Tessa Ramer for all you do for our students.

FIRST PRIORITY

Our students are invited to attend First Priority once a week during their lunch. This high school club provides pizza each week and mentorship for our students to participate in student lead faith based program supporting one another. It helps our students build confidence and resilience through their faith and also helps them manage challenges of parenting and school. In the picture above Kyra Radcliff and Maeleann Williams attended. Maeleann commented, "I enjoyed attending the program."
